

## Ideal Job - [View Job Description](#)

The screenshot shows a web browser window with the URL `au.indeed.com/viewjob?ad=-6NYlbfn0D2ps1_Ovb2t-upEly-TnKmHPbltvoN93pwUaKn07pPgK5bGBDHLB3RQ1u1...`. The Indeed logo is in the top left, and navigation links for 'Find jobs', 'Company Reviews', and 'Find salaries' are visible. The search bar contains 'what' (job title, keywords, or company) and 'where' (city, state/territory or postcode). The 'where' field is filled with 'Sydney NSW'. A 'Find jobs' button is to the right of the search bar. Below the search bar, the job listing for 'Multimedia Specialist' at 'G Squared - Darlinghurst NSW' is displayed. The listing includes the salary range '\$70,000 - \$82,000 a year' and the job type 'Full-time, Permanent'. There are two buttons: 'Apply Now' (blue) and 'Saved' (grey). To the right of the job listing is a 'Company Info' section with a 'Follow' button and the text 'Get job updates from G Squared'. Below the job listing, a paragraph describes the role: 'G Squared is growing its web development team and is looking for a Multimedia Specialist. You will have the opportunity to work on many projects for well-known Australian and global brands.' Another paragraph states: 'We are looking for a superstar developer who has/is:'. A bulleted list of requirements follows: 'Minimum 3 years' experience in a Web Developer role at an agency'.

## Multimedia Specialist

G Squared is growing its web development team and is looking for a Multimedia Specialist. You will have the opportunity to work on many projects for well-known Australian and global brands.

We are looking for a superstar developer who has/is:

- Minimum 3 years' experience in a Web Developer role at an agency
- Proficient in HTML, CSS, SCSS, JavaScript and PHP
- Proficient building custom Wordpress themes from scratch
- Experienced in managing & supporting Wordpress websites
- Experience with Elementor is a plus
- Experience with Magento and Shopify is a plus
- Proficient in code debugging, system & unit testing and ad-hoc testing
- Experience with Bootstrap 4, ReactJS and/or AngularJS
- Strong scoping & planning skills
- Strong communication skills
- Strong organisational skills
- Strong understanding of W3C Standards
- Able to self-manage time and deadlines on projects
- Intermediate Adobe XD, Photoshop and Illustrator skills
- Understanding of UX principles and theory
- A true team player

At G Squared, we deliver digital solutions that drive real business results. Our team strive to build success for our clients by living & breathing our company values:

- We ask questions
- We speak our minds
- We are client-first
- We innovate
- We always deliver

We are a young & dynamic team who love what we do and have fun doing it. Having said this, we also recognise the importance of hard work - our number one priority is our clients' success.

We have won numerous agency and work awards over the past 12 months, most recently coming away with Website of the Year (Medium/Large) at the Australian Web Awards 2020.

We value the wellbeing of our team more than anything else, and encourage staff to holiday at least once per year with an annual holiday bonus. In addition, we give staff one charity day per year, which you can dedicate to the charity of your choice. We also have our biannual 'OG Award', where we provide a bonus or prize for individuals who have best represented our values.

So if you're a hard worker who is passionate about achieving incredible results and, of course, have a fun & vibrant personality, then apply now!
